

VEYS

1. *Print this chart*

Make sure that Page Scaling is set to "None" on your print dialog box.

2. *Confirm that you printed the Wrist Sizer***

Be sure this guide is printed in A4 size and scaled to 100% before measuring your ring. You can verify the accuracy of your print by positioning a credit card on the line below.

If the card lines up, you can start measuring.

3. *Find your wrist size*

Cut out the paper Wrist Sizer and follow the instructions below:

- a/ Make sure that the numbers are on the outside of the paper Wrist Sizer and insert the pointed end through the slit you have cut at the other end indicated.
- b/ Place your hand through the Wrist Sizer and pull the pointed end until it fits comfortably on your wrist.
- c/ The number that lines up with the edge of the slit is your wrist size.

You may also use a tape measure; or if you don't have one, use a small piece of ribbon or cord. Wrap it around your wrist and measure the length against a ruler.

Once you have found your size using the Bracelet or Bangle Sizing Chart, we suggest adding one centimeter for a tight fit and two centimeters for a loose fit.

DISCLAIMER

**Please note that the VEYS Wrist Sizer is an indicative guide only and therefore may not be an exact measure.
